## Year In Review

2021 was an eventful year for Jobs of Hope with lots of exciting things taking place. As we begin the new year, we are super excited with what Jobs of Hope has accomplished, but know there is still lots of work left to continue helping the Weld County Community. We are thrilled to be on this journey with you and thank you for your ongoing support!

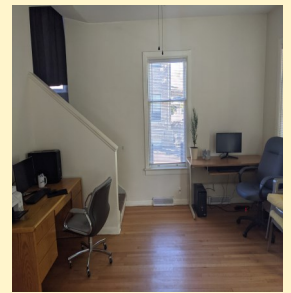

### Annual Banquet

Jobs of Hope hosted a sold out crowd at its annual banquet on September 9, and boy was it a success! We were blessed to give 6 men their certificates for completing the “Men of Valor” Leadership program.

### “House of Hope”

Jobs of Hope introduced its newest program, “House of Hope”. Our 14 bed transitional supportive housing service provides temporary housing to those enrolled in the Jobs of Hope Program who self-identify as homeless or sleeping in conditions not meant for habitation.

### “Men of Valor”

The “Men of Valor” program continues to thrive. Over the past year, the Men of Valor program served many men from different walks of life.

## Director's Corner

Happy New Year! The start of a new year is always an exciting time for me as it feels like a restart and a time for new beginnings. I'm sure some of you have a New Year's resolution or two. Here at Jobs of Hope, the Board of Directors met and have started to work on our strategic plan for the future of the organization. What an exciting opportunity to look back and be proud of how far we have come, but more importantly, where we will be going.

As I reflect on this past year, I am filled with joy when I think of Jobs of Hope and the wonderful work we have done and have yet to do. When I see the men who graduated this past year and even those who are currently working on the transformation of their lives, I cannot tell you how touched I am by their hard work and commitment. God is truly present here.

I think we can agree the past two years have been challenging, to say the least. And even though we continue to wade through these uncharted waters, I hear from so many, "What can I do to help?" To me, this is a testament to the generosity, selflessness, and compassion of all the wonderful people who support and make Jobs of Hope what it is.

As I look ahead to 2022, I am optimistic about the future and confident that Jobs of Hope can persevere through even the toughest of times. These are exciting times for Jobs of Hope, and I can't wait to see what 2022 will bring.

May the heavenly father bless you and your family for a safe, healthy, and happy 2022!

Sincerely in Christ,

Ernest Cienfuegos-Baca

Executive Director
